the martian question Something to think about . . . If there are intelligent creatures on some other planet, your son and mine may one day meet them! What sort of people would you hope these "Martians" Believers in God . . . or atheists? Men and women with spiritual ideals . . . or materialists f the Kremlin vintage? Warm-hearted, friendly, with a Christian sense of values . . or ruthless, indifferent, dedicated only to self? WOULDN'T IT BE HEARTENING to find on that planet a world of churches . . . of faith . . . of folks at worship and at work for the Truth revealed to them by God? Something to think about . . .
